

## Latécoère has entered into an agreement for the acquisition of Figeac Aero's activities in Mexico

**Toulouse, June 20 2022** - Latécoère (the “**Company**” or the “**Group**”), an international "Tier 1" partner of the world's major aircraft manufacturers, announces that it has entered into an agreement with Figeac Aero to acquire its Hermosillo industrial site in Mexico and Boeing 787-related inventory on site at closing.

The acquisition would strengthen the competitiveness of Latécoère's Mexican operations, in order to better serve the North and South American aerostructures market. This acquisition is conditional to finalizing other related additional agreements and closing would be anticipated to occur in the 4<sup>th</sup> quarter 2022, provided IMMEX\* clearance is obtained.

*\*IMMEX authorization is an instrument that allows the temporary importation of goods that are used in an industrial process or service, to produce, process or repair foreign goods temporarily imported for subsequent export, without paying VAT and countervailing duties, and defer or not pay import tax.*
