

Latécoère will be at the Farnborough International Airshow from July 18 to 22, 2022

Toulouse, 13 July, 2022 – Latécoère, a "Tier 1" partner of the largest international aircraft and spacecraft manufacturers, will be present at the Farnborough International Airshow in the United Kingdom. The event will bring together players in the aerospace sector for a week starting July 18.

The Aerostructures and Interconnection Systems teams will present the group's new industrial capabilities following the series of acquisitions made in Europe and North America, as well as its technological and industrial contributions to the "aircraft of tomorrow" together with aircraft manufacturers.

Latécoère will be exhibiting at booth No.1360, hall 1, within the #ChooseFrance Pavilion of the Groupement des Industries Françaises d'Aéronautiques et Spatiales (GIFAS). This is the first time the show has been held since 2018.

About Latécoère

As an international group and "Tier 1" partner of the world's leading aircraft manufacturers (Airbus, Boeing, Bombardier, Dassault, Embraer), Latécoère serves the aerospace sector with innovative solutions for a sustainable world. The Group operates in all segments of the aerospace industry (commercial, regional, business and military aircraft), in two business areas:

- *Aerostructures (46% of sales): fuselage sections and doors.*
- *Interconnection Systems (54% of sales): wiring, electrical furniture and onboard equipment.*

As of December 31, 2021, the Group employed 4,764 people in 14 countries. Latécoère, a public limited company with a capital of €133,912,589.25 divided into 535,650,357 shares with a par value of €0.25, is listed on Euronext Paris - Compartment B, ISIN Code: FR0000032278 - Reuters: AEP.PA - Bloomberg: AT.FP
